## **Friday 6th February 2026**

Dear Bottesford Junior School Community,

Despite the wetter and greyer end to our week, our children's enthusiasm has remained as bright as ever. Class 5D had a very exciting time during their Forest School session by making pancakes, turning outdoor learning into a truly delicious adventure.

Year 3 pupils have been diving deep into history, exploring what life was like in the home during the Bronze and Iron Ages and gaining a fascinating insight into how our ancestors lived and worked. Creativity was in full swing in Year 4 Design and Technology lessons, where pupils were busy baking American cookies – the smell in the activity area was delicious!

Year 5 embarked on a significant historical journey, investigating the role of the Suffragettes and developing an understanding of their contribution to social change. Meanwhile, our Year 6 scientists explored the intriguing environmental issue of light pollution, encouraging thoughtful discussion about scientific concepts and their impact on our world.

What a busy week!

### **Parent Pitstop Lending Library**

Each morning, the lending library trolley will come out with the Pitstop team, giving you the chance to borrow a book. It's very simple to use—just sign the clipboard sign-out sheet when you borrow a book and tick it again when you return it. We have a wide range of books available, covering topics from e-safety and wellbeing to learning support and growing up. We have attached a catalogue of all the books that are available to borrow. We hope you find this new resource helpful and enjoyable.

### **PE kits**

With the cold weather firming with us, we'd like to reassure parents that we do our best to keep children comfortable and happy during PE lessons. Children are very welcome to wear thermal layers under their PE kits, and for outdoor sessions they may also wear coats, hats and gloves. Our PE team often take children onto the field for Rugby and Football, and at this time of year the grass can sometimes be damp or wet. To help with this, we kindly encourage children to bring a spare pair of socks so they can change into dry ones if needed. We are also more than happy for children to bring their school shoes in their bags to change into after PE when the ground is particularly wet.

### **Water bottles**

Can we please remind parents/carers to provide their child with a water bottle for School.

### **Weather changes**

Now that the weather has changed, can we please ask that all children bring a warm coat to school every day. Can we also ask that children have a spare pair of socks in their school bags in case of rain.

### **Community Parking – Humberside Police**

Humberside Police have received complaints in relation to the ongoing parking issues around Bottesford Infant and Junior School. This relates to the inconsiderate parking for not only other road users but also the local residents who have reported the blocking/ damaging of driveways and on occasions the rude comments and behaviour of drivers when asked to move. Officers are also aware of the ongoing concerns from us around the safety of the children attending, when drivers are clearly ignoring parking restrictions and the basic highway code. The police are just as concerned as our school community and realise that this is an issue which needs to be addressed before a tragic accident occurs and before residents are forced to take more extreme measures to protect their properties.

Although this needs to be enforced by the council, the safety of road users/ pedestrians and residents does fall under the responsibility of the police . The police want to inform you that this issue is being taken seriously and will continue to be monitored further by Humberside Police. They will be working in partnership with the local council and Bottesford Infant and Junior School to ensure everyone's safety and ways of encouraging road users to be more considerate going forward.

### **High School Musical – Frederick Gough School**

Students at Frederick Gough School have been working incredibly hard since September to bring you this year's musical extravaganza, **High School Musical**. Rehearsals are well and truly in full swing, and we are delighted to announce that **tickets are now on sale**.

The show dates are as follows:

Thursday 26th March, 6:30pm–8:30pm

Friday 27th March, 6:30pm–8:30pm

All tickets must be purchased online via the following link: <https://stagestubs.com/frederick-gough-school/high-school-musical>

Audience members are asked to arrive no earlier than 6:10pm. Entry will be via the main school reception, where you will be escorted to the Auditorium and tickets will be scanned on entry. Each performance will begin promptly at 6:30pm and will finish at approximately 8:30pm.

Please note that all tickets must be purchased online, as we will not be able to accept cash payments.

Refreshments will be available during the interval, with a voluntary donation requested. All money raised through the refreshment donations will be donated to Lindsey Lodge Hospice and Hope House.

We look forward to seeing you there and can absolutely promise it will be worth the watch. It's the perfect feel-good, family-friendly musical and the perfect way to end the Spring Term. Our students have shown incredible dedication and talent; we're so proud of them and the commitment they have demonstrated.

We can't wait for you to see them shine on stage.

See you there!

### **Mobile phones/devices:**

We understand that in some cases, it may be necessary for your child to bring a mobile phone to school, for example, if they are travelling to and from school independently. However, we have noticed an increasing number of pupils bringing their phones to school unnecessarily, without a valid reason. As such, we would like to remind all parents and carers that mobile phones should only be brought to school if they are absolutely necessary. Pupils who do not have a valid reason to bring a phone to school should leave them at home. If your child does need to bring a mobile phone to school, it must be switched off at the school gates on Manor Road.

Unfortunately, we have seen an increase in pupils using their mobiles on the school premises on their way in/out of school – this breaches the signed mobile phone agreement. Can we please ask you to remind the children that they must have their phone turned off whilst on the school site.

By working together, we can ensure that our school remains a safe and focused learning environment, free from the distractions and potential issues that can arise from the use of mobile phones.

### **Attendance:**

All children of primary school age are expected to achieve the government's national expectation for primary schools, which is 96% attendance. The list below shows the approximate attendance figures:

- 1 day off in a 6 week period = 96.5% attendance
- 2 days off in a 6 week period = 93% attendance
- 3 days off in a 6 week period = 90% attendance
- 4 days off in a 6 week period = 86.5% attendance
- 10 days off in a school year = 85% attendance

We are committed to providing a high-quality education for all of our children. In order for a child to reach their full potential, it is essential that their attendance is of a very high level. For this reason, holidays in term time are classed as unauthorised. A leave of absence form must be filled in, and returned to the office for all term-time leave. Please be aware that the Education Inclusion Service may issue a Penalty Notice or prosecution to multiple responsible adults with whom the child resides, regardless of circumstances. The Department for Education have updated the guidance related to school attendance which came into effect on 19th August 2024:

**NHS Pharmacy First Service**

Did you know that the NHS Pharmacy First Service enables children and adults to get convenient access to healthcare advice and treatment where appropriate, for seven common conditions without the potential delay of having to wait for a GP appointment? Accessing the service may mean that we can help children feel better and get back to school as quickly as possible, as well as supporting parents/carers to also get better if they are unwell with one of the conditions covered under the service.

There is no need to make an appointment; parents or carers can pop into their local Boots pharmacy with their child and ask for help under the service.

Support for the following conditions can be accessed under the service, free of charge (unless NHS prescription charges apply):

<b><u>Common condition</u></b>	<b><u>Patient eligibility</u></b>
Earache	1 to 17 years
Impetigo	1 year and over
Infected insect bites and stings	1 year and over
Sore throats	5 years and over
Sinusitis	12 years and over
Uncomplicated urinary tract	Women 16 to 64 years
Shingles	18 years and over

AGE RESTRICTION  
PEGI

## WHAT ARE THE RISKS?

### AN ANNUAL RELEASE SCHEDULE

As was the case with the last two EA Sports FC games and the FIFA series before it, the franchise rolls out once a year with updated squads and new features. This can make it expensive to keep up with, particularly when so many dedicated players are keen to get their hands on the latest edition.

### VOICE CHAT

Voice chat can be enabled across all platforms, meaning young people can speak to anyone they play with or against. While it can be switched off, some children will no doubt want to speak to their friends while they play. This also means they may encounter strangers much older than them, which could expose them to inappropriate language or behaviour.

### IN-GAME PURCHASES THROUGH ULTIMATE TEAM

Ultimate Team is the big draw for EA Sports FC, letting players spend real money on packs that they can open to build a squad of the world's best players. They're not always easy to obtain, and new, improved versions of players will be regularly added as limited-time offerings. Young people could feel pressured into spending money and experience fear of missing out.

### SCAMMERS IN ULTIMATE TEAM

Ultimate Team is managed by EA itself, but that hasn't stopped scammers from looking to dupe players out of money and in-game coins. Some scammers sell their accounts, which is a violation of EA's terms of service, while others will sell coins – something the developer is still working to crack down on. Some try to gain access to others' accounts, potentially giving them access to payment information.

### POTENTIAL FOR ADDICTION

While EA Sports FC is potentially addictive, thanks to its fast-paced gameplay and mimicking of the real-world skill and glamour of football, Ultimate Team's focus on limited-time rewards and the lottery of winning packs can make it feel closer to gambling than gaming, which may lead to addiction and impulsive spending of money.

## Advice for Parents & Educators

### PREPARE FOR ANOTHER GAME IN A YEAR

The annual-release cadence aligns with the return of the school year, and can be a great way to incentivise good behaviour at the start of term. If children are applying themselves and preparing for a new year of school, or were particularly well behaved in the summer, EA Sports FC 26 could make a great reward.

### LIMIT SPENDING

If you've worried about children accidentally spending real money in Ultimate Team, whether in game or on the EA Sports FC companion app, don't link a payment card to their account. Reclaiming funds can be a mountain to climb, and the desperate bid of opening flimsy packs with sick animations means one purchase can lead to another very quickly. It's also worth adding a prepaid card if you'd prefer them to make their own choices with their budget.

### MONITOR VOICE CHAT

As in-game chat is open, be sure to adjust the settings in EA Sports FC 26 to lock it down. If children want to chat with their friends while they play, consider setting up a safe space for them to call, to allow them to play without fear of outsiders.

### BE VIGILANT

As with last year, there are ways to keep scammers at bay. Ensure passwords are locked down, and consider using a password manager application to keep them secure. EA will never contact players through the game itself, so be vigilant with incoming messages, and block and report suspected spam. EA will contact players by email if needed, but they will never ask for usernames or passwords. Players should also avoid buying in-game currency from unofficial websites – doing so can lead to accounts being banned and could cost players money in the process.

# 10 Top Tips for Parents and Educators DEALING WITH TRAUMATIC & CHALLENGING EVENTS

Children and young people may face a wide range of traumatic or challenging events – from bereavement and illness to bullying, family breakdowns, or witnessing violence. These experiences can affect their mental health, behaviour, relationships, and academic progress. With the right support from trusted adults, children can begin to feel safe, rebuild resilience, and develop healthy coping strategies. This guide offers practical and empathetic ways to provide support and promote positive outcomes.

## 1 A PREDICTABLE ENVIRONMENT

Children who have experienced trauma often feel unsafe or uncertain. Creating routines, setting clear expectations, and maintaining consistency can help restore a sense of security. This structure offers reassurance and helps children feel more in control of their surroundings.

## 2 USE LANGUAGE THAT MATCHES THEIR AGE

Speak clearly and sensitively, choosing words that are appropriate for the child's age. Avoid overwhelming them with too much information at once. Offer gentle, honest explanations and focus on reassurance, especially when talking about difficult or sensitive subjects.

## 3 TRAUMA AND THE BODY

Mention briefly that trauma can show up in physical ways, such as changes in sleep, appetite, concentration, or as physical aches and pains. Consider this before labelling behaviour as 'difficult' or 'lazy'. Some children may become withdrawn, while others may be more outwardly challenging. Highlight that there's no 'one-way' children respond.

## 4 AVOID RETELLING OR RELIVING TRAUMA

Children sometimes get asked to explain or repeat their experience multiple times. Striking a balance of when to listen and when to gently redirect can help to avoid unnecessary re-traumatisation. Acknowledge, but don't probe for detail unless safeguarding procedures require it.

## 5 AVOID DISMISSING OR MINIMISING FEELINGS

Seemingly well-meaning comments like "It's not that bad" or "You're okay" may shut down children's emotional expression and are often not helpful. Instead, acknowledge what they're feeling, even if it seems small. Validating a child's emotions helps them feel seen and encourages open communication in future.

## 6 UNDERSTAND HOW THEY'RE FEELING

Many children don't have the words to express their emotions, especially during distress. Supporting them to name what they're feeling – such as angry, scared or sad – builds emotional literacy. Tools like emotion charts, drawing, or storytelling can help externalise feelings in a safe, manageable way.

## 7 BE AWARE OF YOUR OWN RESPONSES

Children pick up on adult emotions and reactions, often mirroring them. Staying calm, even in challenging situations, helps children feel more secure. Practising your own self-regulation is an important way to model healthy stress management and encourages children to do the same.

## 8 SEEK PROFESSIONAL SUPPORT

While many children benefit from everyday emotional support, some will need more specialised help. If symptoms persist, worsen, or disrupt their daily life, consult with school safeguarding leads, a GP, or a mental health professional. Early intervention can prevent long-term difficulties and support healthy recovery.

## 9 MAINTAIN CONNECTION

Isolation can worsen the impact of trauma. Encourage involvement in group activities, praise their efforts, and ensure they feel like a valued part of the school or family community. Meaningful connection with trusted adults and peers builds resilience and a sense of belonging.

## 10 BE PATIENT – HEALING TAKES TIME

There's no quick fix for emotional recovery. Children may have good days and setbacks, and progress may not always be visible or linear. Your ongoing support, patience, and presence can help them move forward at their own pace, knowing they are not alone.
