ACTING HEADTEACHER: MRS J BURT

Friday 18th July 2025

What an absolutely incredible year we've had here at Bottesford Junior School!

As we reach the end of another amazing academic year, I want to begin by saying a **huge thank you** to all of our wonderful children for their hard work, positivity, and dedication throughout the year – you have all been absolutely fantastic!

This week, one standout moment has been when we had the **privilege of welcoming Scunthorpe United's promotional final trophy** to school. The children were amazed by the sheer size of it, and seeing their faces light up with wonder and excitement was truly special. A heartfelt thank you to **Edison's mum** for making this moment possible and sharing it with our school community!

Our fabulous **Year 6 pupils** have been celebrating in style with their end-of-year fun day, enjoying bowling, mini golf, and a movie together. It has been such a joy to see them create lasting memories as they prepare to begin their next chapter.

We also had an unforgettable **House Reward Day** – full of discos, teddies, board games, and ice pops! It was wonderful to see every single pupil enjoying themselves so much.

I'm absolutely thrilled to announce that our **incredible colour run** raised an amazing **£1,249** for the school fund! Thank you for your generosity and continued support. The energy and joy from the children during the run was infectious, and seeing everyone covered in rainbow colours while supporting the school was magical. Our **pre-loved uniform sales** have also been a huge success, raising **£230** for the school fund. A big thank you for your kind donations and to everyone who visited our shop.

As we prepare to say goodbye to this school year, I want to wish you all a **safe, happy, and family-filled summer holiday**. Thank you again for your incredible support, your kind words, cards, and gifts – they mean the absolute world to every member of our staff team.

Finally, to our amazing **Year 6 leavers** – we are so proud of you. You've been a joy throughout your time with us, and we'll miss you very much. We know you'll continue to shine wherever your next adventure takes you. Until we meet again in September – **take care, stay safe, and enjoy every moment of your well-deserved break!**

NL Active sessions

With the summer holidays fast approaching, we know many parents will be looking for fun, local and affordable ways to keep their children active, engaged and entertained.

At NL Active we've put together a fantastic programme of summer holiday activities for children of all ages, designed to swap screen time for adventure, encourage new friendships, and boost confidence through fun, physical activity.

From giant pool inflatable sessions and mermaid swimming to half price racket sports, sea scooters, half price 3G pitch hire, climbing and bouldering, and crash course swimming lessons, there's something to suit every child's interest and energy level.

Our activities run from 21 July to 2 September 2025 across NL Active leisure centres, with sessions designed to be safe, inclusive, and welcoming.

Bookings are live, families can call 01724 291 900 or visit us on site to secure their children's activities.

You can view our full Summer Holiday schedule by visiting www.northlincs.gov.uk/nl-active/activities-for-children/

20-21 Visual Arts Centre

We're excited to share that 20-21 Visual Arts Centre and Church Square are hosting a fantastic programme of free, family-friendly activities this summer — and we'd love your support in helping us spread the word to families at your school!

From building block adventures and dinosaur discoveries to live music, light shows, Pride celebrations, and creative outdoor workshops, there's something for everyone to enjoy.

Activities run Tuesday to Saturday, with 20-21's ARTivity table brought outdoors to Church Square for hands-on play and creativity all summer long.

Every Tuesday will be Toddler Tuesdays where we'll have a special space set up just for under 5's to explore!

Many of our sessions also include a STEAM twist (Science, Technology, Engineering, Art, and Maths) — designed to spark curiosity and encourage young minds to experiment, invent, and explore.

We would be very grateful if you could share this information with families via your school newsletter, website, social media, or parent mail systems. It's a fantastic opportunity for children to learn, play, and explore throughout the summer holidays. I've attached an image.

Summer in the Square is funded by the High Street Accelerator Fund.

20-21 Visual Arts Centre's activities, exhibitions and outdoor events are supported using public funding by the National Lottery through Arts Council England.

Mobile phones/devices:

We understand that in some cases, it may be necessary for your child to bring a mobile phone to school, for example, if they are travelling to and from school independently. However, we have noticed an increasing

number of pupils bringing their phones to school unnecessarily, without a valid reason. As such, we would like to remind all parents and carers that mobile phones should only be brought to school if they are absolutely necessary. Pupils who do not have a valid reason to bring a phone to school should leave them at home. If your child does need to bring a mobile phone to school, it must be switched off at the school gates on Manor Road.

Unfortunately, we have seen an increase in pupils using their mobiles on the school premises on their way in/out of school – this breaches the signed mobile phone agreement. Can we please ask you to remind the children that they must have their phone turned off whilst on the school site.

By working together, we can ensure that our school remains a safe and focused learning environment, free from the distractions and potential issues that can arise from the use of mobile phones.

PE

Can we please remind parents/carers that pupils need their PE kits in school all week (including warm clothing suitable for outdoor PE). We request that they are brought into school on a Monday, and taken home on Friday. Can we also remind everyone that during PE, long hair must be tied back, and ear piercings covered with a plaster (provided from home) if the pupil is not able to remove it themselves.

Attendance:

All children of primary school age are expected to achieve the government's national expectation for primary schools, which is 96% attendance. The list below shows the approximate attendance figures:

- 1 day off in a 6 week period = 96.5% attendance
- 2 days off in a 6 week period = 93% attendance
- 3 days off in a 6 week period = 90% attendance
- 4 days off in a 6 week period = 86.5% attendance
- 10 days off in a school year = 85% attendance

We are committed to providing a high-quality education for all of our children. In order for a child to reach their full potential, it is essential that their attendance is of a very high level. For this reason, holidays in term time are classed as unauthorised. A leave of absence form must be filled in, and returned to the office for all term-time leave. Please be aware that the Education Inclusion Service may issue a Penalty Notice or prosecution to multiple responsible adults with whom the child resides, regardless of circumstances. The Department for Education have updated the guidance related to school attendance which came into effect on 19th August 2024:

NHS Pharmacy First Service

Did you know that the NHS Pharmacy First Service enables children and adults to get convenient access to healthcare advice and treatment where appropriate, for seven common conditions without the potential delay of having to wait for a GP appointment? Accessing the service may mean that we can help children feel better and get back to school as quickly as possible, as well as supporting parents/carers to also get better if they are unwell with one of the conditions covered under the service.

There is no need to make an appointment; parents or carers can pop into their local Boots pharmacy with their child and ask for help under the service.

Support for the following conditions can be accessed under the service, free of charge (unless NHS prescription charges apply):

<u>Common condition</u>	<u>Patient eligibility</u>
Earache	1 to 17 years
Impetigo	1 year and over
Infected insect bites and stings	1 year and over
Sore throats	5 years and over
Sinusitis	12 years and over
Uncomplicated urinary tract	Women 16 to 64 years
Shingles	18 years and over
